Commissioner for Patents

This communication is being sent out to the Applicant to correct a typo on page 3 (paragraph 4), which could lead to confusion. More specifically, the claims were NOT rejected using Sosa, but instead rejected using Kravitz (US Patent 5,987,140). The content of the rejection lists Kravitz, however the preamble listing the references cites Sosa.

This supplemental Office Action is being sent out to correct any possible mis-interpretation of the rejection.
